## **Altman Investment Management Awarded Top Guns Designation by Informa Financial Intelligence**

**Princeton, N.J. – May 19, 2021** - Altman Investment Management has been awarded a PSN Top Guns distinction by Informa Financial Intelligence’s PSN manager database, North America’s longest running database of investment managers.

Altman Investment Management was honored with a 1-star Top Gun rating for its Fixed Income strategy for Q1 2021.

“We are honored, once again, to receive this award that recognizes our investment programs. We are proud that these distinctions reflect on our long-standing asset allocation, stock selection and risk management discipline that have been in place since our inception”, said Peter Altman, President of Altman Investment Management. “Our team’s diligence, conviction and client dedication are some of the key qualities that we believe distinguish us among our peers.”

Through a combination of Informa Financial Intelligence’s proprietary performance screens, [\\*PSN Top Guns](#) (\*free registration to view Top Guns) ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Financial Intelligence is part of Informa plc, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Gun firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time.

Altman Investment Management’s fixed income strategy was named Top Gun #1 rating, meaning our fixed income strategy had one of the top ten returns for the quarter in their respective universe. As an active fixed-income portfolio manager, our mandate is achieving consistent long-term performance with less than market risk.

“Congratulations to Altman Investment Management for being recognized as a PSN Top Gun,” said [Ryan Nauman, Market Strategist at Informa Financial Intelligence’s Zephyr](#). “This highly esteemed designation allows us to recognize success, excellence and performance of leading investment managers each quarter.”
