Altman Investment Management Named to PSN Top Guns List of Best Performing Strategies for Q2 2024

Quarterly PSN Top Guns List published by Zephyr identifies best-in-class separate accounts, managed accounts, and managed ETF strategies for the most recent quarter

Princeton, New Jersey – Altman Investment Management is pleased to announce its Core Value Fixed Income strategies have both been awarded the celebrated PSN Top Guns distinction by Zephyr’s PSN manager database, North America’s longest-running database of investment managers. The highly anticipated list, published by Zephyr, remains one of the most important references for investors and asset managers, recognizing the top 10 performers in the peer group for the period ending June 30, 2024.

“Successful investment strategies are the result of enormous effort, research and hard work,” says Nick Williams, Product Manager of PSN at Zephyr. “PSN Top Guns shines a light on the very best. The teams and managers behind each product showcase why SMAs continue to grow in today’s economic climate.”

“We are honored to receive a 3-star Top Gun rating for our Core Value Fixed Income investment program. We are proud that this distinction reflects on our long-standing discipline of staying the course despite compelling arguments to the contrary. In terms of fixed income strategy, our short duration high quality asset allocation continued to reflect our belief that bonds were both overvalued - and would be subjected to elevated volatility associated with the uncertainty of a Fed policy response to a shift in long term inflationary expectations. The strategy to remain in the investment grade markets, and comparatively low duration, highlights our continued attention to risk management disciplines that are the hallmarks of our process.” said Peter Altman, President of Altman Investment Management.

Through a combination of PSN’s proprietary performance screens, the PSN Top Guns awards products in six proprietary categories in over 75 universes based on continued performance over time.

Altman's Fixed Income program earned Top Guns status in the 3-Star (for both Core Plus and Intermediate Core Plus Universes) category, which represents top ten returns within this strategy for the three-year period ending June 30, 2024.
